We have carried out a Limited Review of the accompanying statement of unaudited consolidated financial results of Career Point Limited and its subsidiaries and associate (the Career Point Group) for the six months period ended 30th September, 2013, these consolidated financial statements are the responsibility of the Company's Management and have been approved by the Board of Directors/ Committee of Board of Directors. Our responsibility is to issue a report on these financial statements based on our limited review.

We conducted our limited review in accordance with the Standard on Review Engagement (SRE) 2410, *Review of Interim Financial Information Performed by the Independent Auditor of the Entity* issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the consolidated financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

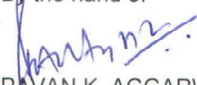

In respect of subsidiaries and associate we did not carry out the Limited Review. These financial statements have been Limited Reviewed by the other Auditors whose reports have been furnished to us, and The Limited Review, in so far as it relates to the amounts included in respect of the subsidiaries and associates is based solely on the reports of the other auditors.

Report on Review of Interim Financial Information
Career Point Limited
(Formerly known as Career Point Infosystems Limited)

Introduction

We have reviewed the accompanying balance sheet of Career Point Limited as of September 30th, 2013 and the related statements of profit & loss for the six month period then ended. Management is responsible for the preparation and fair presentation of this interim financial information in accordance with Generally Accepted Accounting Principles. Our responsibility is to express a conclusion on this interim financial information based on our review.

Scope of Review

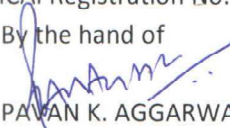

We conducted our review in accordance with Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim financial information does not give a true and fair view of the state of affairs of the entity as at September 30, 2013, and of its results of operations for the six month period then ended in accordance with accounting standards and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of clause 41 of the listing Agreement including the manner in which it is to be disclosed, or that it contains any material misstatement.
