

# Career Point launches 'Onlinepado.com'

**20 August 2014** Kota: Career Point Ltd (NSE: CAREERP; BSE: 533260), nation's leading education player, announced the release of its new e-Learning solution - 'Onlinepado.com' – a choice to students for anytime, any topic and anyplace learning on any device by faculty of student's choice. e-Learning through Onlinepado.com delivers a consistency in learning experience and a freedom to learn at own pace. A variety of courses and programs will be offered at Onlinepado.com and the on-demand feature makes it price efficient for the students because they can choose one that suits their needs, whether an entire subject or a specific chapter. The technology partner for the venture is C S India Pvt Ltd, an Indian subsidiary of CS Co. Ltd – a leading South Korean technology company with expertise in providing IT consulting to education and other sectors.

“e-Learning provides greater flexibility, freedom and quality education at lower costs. That is the reason it holds larger share than the classroom learning in most of the developed nations. At Onlinepado.com, we will not only provide the Career Point's legacy content but also offer a facility for other experts/faculties to reach among students through sharing their own videos. The open learning platform for students and a place to share the expertise by faculties will make it win-win solution for both communities. One of the key features of the offering is that the students can purchase any specific topic or unit as per their requirement.” said Mr. Pramod Maheshwari, Chairman and Managing Director of Career Point.

Min-Ho Choi, CEO of CS Co. Ltd. shared his views, “We are excited with our entry in to fast growing Indian Education market with a respectable partner as Career Point Limited. We are quite confident to lead the market for online video-on-demand in India with Onlinepado.com. The solution is differentiated by its unique features and advanced capability to adapt in real-time requirements of the end-user. Time-line bookmarking the videos to navigate and restart, removal of doubts through online chatting and lecture reviews are some of the features which make this product very dynamic. ”

Mr. Mahesh Bhangriya, Vice President, Corporate Strategy commented, “With the continuous focus on evolving technology to meet changing market demands, Onlinepado.com marks a definite value add in the learning experience of students. Onlinepado.com is adaptable to multiple devices including mobile, laptops, tablets etc. We are also pleased to have CS Co. Ltd. as our technology partner on this project that could bring the global best practices followed in e-Learning space.” He further added that the company is also delivering online testing & assessment solutions through [ecareerpoint.com](http://ecareerpoint.com).
